EXCHANGE

PIONEERING THE
FUTURE OF TECH
AND DIGITAL
WORKING

Exchange offers the most ambitious early-stage tech companies access to the tools and learning to succeed.

Set in the heart of Enterprise City Manchester, a thriving tech, media and creative cluster, start-ups, scale-ups and entrepreneurs rub shoulders with international media and tech companies.

Exchange provides unrivalled access to the next generation of modern industry.

Exchange offers a 6 to 12 month scheme to ambitious early stage tech companies in the North West, delivering a syllabus and direction for development within the market.

Enterprise City has appointed Tech Nation as knowledge partner.

Tech Nation empowers ambitious tech entrepreneurs to grow faster through growth programmes, digital entrepreneurship skills, a visa scheme for exceptional talent, and by championing the UK's digital sector through data, stories and media campaigns. They will support Exchange's agenda of activity, based on industry insight and commercial progression.

Exchange offers its members:

- 1 Subsidised flexible workspace
- 2 Access to Tech Nation's online digital academy; tailored to suit both start-up and scale-up organisations
- 3 Access to a range of events from workshops, up-skill sessions and high-profile speaker events
- 4 Community meet-ups, panel discussions and report launches
- 5 Access to expertise and resources from corporate partners
- 6 Membership to Tech Nation's National Founders' Network
- 7 Exclusive access to the Enterprise City community platform – connecting organisations across the wider estate.
